Crossville's Commitment to the Environment

A member of the U.S. Green Building Council, Crossville, Inc. is committed to protecting the environment through our quality manufacturing processes and by offering recycled and environmentally friendly products.

Our waste-water policies exceed government standards and we have earned several citations for effective waste-water practices. Nearly 100 percent of the water used in manufacturing is recycled back into our processes; the minimal amount that is not recaptured is returned clean to its natural habitat.

Crossville's dust collection procedures not only allow us to limit air pollution, both inside and outside our plants, but allow us to reuse unfired raw scrap materials during manufacturing. While this reuse does not constitute recycling, it does minimize landfill deposits while conserving raw materials.

offset of not greater than 33%. See crossvilleinc.com for detailed installation instructions.

Care and Maintenance

Regular cleaning is the best way to keep Color Blox EC tile looking good for years to come. Use clean, hot water (combined with a household cleaner for more aggressive cleaning). Rinse thoroughly and dry with a soft cloth to prevent water spots. No waxes or sealers are needed. More information regarding the care and maintenance of Crossville products is available at crossvilleinc.com

Product Performance

Breaking Strength	>450 lbs.	ASTM C648
Bond Strength	>200 psi	ASTM C482
Chemical Resistance	Unaffected	ASTM C650
Frost Resistance	Resistant	ASTM C1026
Water Absorption	< 0.10%	ASTM C373
Scratch Hardness	6	MOHs Scale
COF- Dry	> 0.8	ASTM C1028
COF- Wet	> 0.6	ASTM C1028

Sizes Available (Available in all colors)

Nominal (in)	Actual Size (mm)	Thickness (mm)	Finish
6 x 6	147 x 147		
6 x 24	147 x 597	10.5	UPS
12 x 12	297 x 297	10.5	UPS
12 x 24	297 x 597	10.5	UPS
24 x 24	597 x 597	10.5	UPS

Modularity: All sizes within the Color Blox EC series are designed to be modular with a 3 mm grout joint.
Trim: Coordinating trim available from the Color Blox series.

Coordinating Trim (available in all colors*)

4 x 12 Single Bullnose	95 x 298	10	UPS
4 x 12 Bullnose Corner (left)	95 x 298	10	UPS
4 x 12 Bullnose Corner (right)	95 x 298	10	UPS
6 x 12 Cove Base	150 x 298	10	UPS
6 x 8 Cove Base Corner (left)	150 x 200	10	UPS
6 x 8 Cove Base Corner (right)	150 x 200	10	UPS

*This trim does not contain recycled content.
