

Mixology

DESIGN SOLUTIONS

- Mixology has been painstakingly crafted by Crossville® artisans to replicate cast metal sculptural pieces as affordable and earth-friendly tile.
- Exquisitely wrought metal tiles in four distinctive finishes
- Seven field tile designs in two sizes – 4" x 4" and 6" x 6"

- 10 trim options and two random mosaics are available, providing 98 pieces to "mix" and match
- Minimum of 50 percent post-consumer recycled content
- Suitable for both commercial and residential settings

Care and Maintenance

Regular cleaning is the best way to keep Mixology tile looking good for years to come. Use clean, hot water (combined with a household cleaner for more aggressive cleaning). Rinse thoroughly and dry with a soft cloth. Do not clean with scouring pads, steel wool or other abrasive implements. Rinse thoroughly and dry with a soft cloth to prevent spots. More information regarding the care and maintenance of Crossville® products is available at crossvilleinc.com.

Recommended Use

Mixology wall tiles and trim are suitable for interior and exterior vertical applications including kitchen backsplashes, bathroom walls, shower walls, fireplace surrounds, and exterior walls. Mixology tiles are not recommended for swimming pools, spas or hot tubs. Special installation considerations may apply to backsplash applications behind cooktops or fireplace surrounds.

Wet Area Use

Metal/resin tiles can be installed in wet areas such as backsplashes, bathroom walls, and shower enclosures, but are not recommended in swimming pools or hot tubs.

Shade & Texture Index

Mixology has a shade variation of V3.
