------------------------	----------	------	-----

3" x 18" Single Bullnose

Shade & Texture Index

Wood Impressions has a shade variation of V2

Care and Maintenance

Regular cleaning is the best way to keep Wood Impressions tile looking good for years to come. Use clean, hot water (combined with a household cleaner for more aggressive cleaning). Rinse thoroughly and dry with a soft cloth to prevent water spots. No waxes or sealers are needed. More information regarding the care and maintenance of Crossville® products is available at crossvilleinc.com.

Recommended Usage

Wood Impressions is recommended for interior floors, walls and countertops and exterior walls in both residential and commercial applications. If offset pattern is required on tiles 18 inches or longer, Crossville recommends an offset of not greater than 33%. See crossvilleinc.com for detailed installation instructions.
